between the Government of Antigua and Barbuda and the
Government of the Federative Republic of Brazil**

The Government of Antigua and Barbuda

and

The Government of the Federative Republic of Brazil

Wishing to develop the cultural, scientific and technical ties between the two countries, in the mutual interest of developing friendly relations between their peoples;

BASED on the respect in the principles of sovereignty and national independence, of equality of Rights, of mutual benefits, and non-interference in internal affairs of each other;

AGREE as follows:

Article I

The contracting parties shall promote, by appropriate means, an efficient co-operation, in the cultural, scientific and technical fields.

Article II

Both contracting parties shall make efforts to improve and favour the co-operation among Cultural Centres and of Scientific and Technical Research, as well as other cultural institutions of the two countries, in order to exchange information and experiences in the mentioned areas.

Article III

1. Both contracting parties shall endeavour to promote the exchange of information and favour the exchange of study missions in cultural, scientific and technical fields.

2. The ways of co-operation in the above-mentioned fields will be negotiated, through normal diplomatic channels, between specialized institutions of both countries and approved by the competent government authorities.

Article IV

According to the principles of respect to the sovereignty and to non-interference in the internal affairs of each other, the contracting parties shall contribute to the mutual knowledge of the cultural values of their peoples through the following means:

- exchange of cultural, scientific and technical information;
- exchange of artists, scientists and technicians;
- and
- joint organization of cultural and scientific events.

Article V

This Agreement will come into effect on the date of the exchange of Ratification Instruments between the parties. This Agreement shall remain in force initially for (five) years, being automatically extended for equal successive periods, and it may be nullified by any of the contracting parties through notification conveyed by diplomatic channels. The nullification shall become effective 6(six) months after the receipt of such notification.
