### **EXPLANATORY MEMORANDUM**

This Bill is for the repeal and replacement of the Schedule to the Loan (Borrowing from Antigua Commercial Bank) Act 2021, No. 35 of 2020 in which this Parliament gave its approval to the Government's borrowing of the sum of \$127,000,000 ECD from the Antigua Commercial Bank.

This new replacement schedule differs from the other in that –

1. Interest rate on the loan has been reduced from 11% to 9%;
2. Whereas before the loan was distributed between two credit facilities, that is, Credit Line A and Credit Line B; the new arrangements have the loan distributed over three Credit Lines – A, B, and C.

There is no new borrowing. The current schedule contained the review date of May 2021; these changes are as a result of that review. The new review date will be October 31, 2021.

Prime Minister and Minister of Finance
