SCHEDULES

THE FISHERIES REGULATIONS MADE UNDER S.I. 10/1990.
SECTION 39 OF THE FISHERIES ACT. S.I. 23/1991.

PART I

PRELIMINARY

1. These Regulations may be cited as the Fisheries Regulations. Short title.
2. In these Regulations— Interpretation.
- “Act” means the Fisheries Act.
- “Committee” means the Fisheries Advisory Committee established under regulation 3.
- “Minister” means the Minister responsible for Fisheries.

PART II

FISHERIES ADVISORY COMMITTEE

3. (1) There is hereby established a Fisheries Advisory Committee. Establishment of Fisheries Advisory Committee.
- (2) The Committee shall consist of the following persons:
- (a) a Chairman, who shall be appointed by the Minister;
 - (b) a Deputy Chairman, who shall be appointed by the Minister;
 - (c) the Chief Fisheries Officer or his representative, who shall be the secretary;
 - (d) three persons nominated by professional fishermen and appointed by the Minister to represent the views of professional fishermen;

(e) two other persons one of whom shall be a woman to be appointed by the Minister.

(3) The quorum for conducting the business of the Committee shall be four including the Chairman or in his absence the Deputy Chairman and the Secretary.

(4) The Committee may invite such other persons as it may think fit, to participate in its meetings.

(5) The Committee may determine its own procedures.

Functions.

4. The functions of the Committee are as follows—

(a) to advise the Minister on fisheries management and development;

(b) to consider and advise the Minister on the plan for the management and development of fisheries in Antigua and Barbuda waters and on each review of the plan;

(c) to consider and advise the Minister on the need for any amendment to the Act or to any Regulations made under it;

(d) to consider and advise the Minister on any proposals for access agreements, joint venture investment in fisheries, or development projects in the fisheries sector;

(e) to consider and advise the Minister on any initiative for the regional harmonization of fisheries regimes, including any regional licensing scheme for foreign fishing vessels;

(f) to advise the Minister on the coordination of the policies and activities of Government Departments and ministries with respect to any of the above matters;

(g) to advise the Minister on conditions to be imposed and the fees to be paid by any person or body applying for a licence under these regulations;

(h) to consider and advise the Minister on such other matters as he may from time to time assign to the Committee.

PART III

FOREIGN FISHING VESSELS

5. Every application for a licence in respect of a foreign fishing vessel shall— **Application forms.**

- (a) be as prescribed in Schedule I; and
- (b) be addressed to the Minister.

6. Every licence for a foreign fishing vessel shall be as prescribed in Schedule II. **Prescribed fishing licence for foreign vessels.**

7. (1) The fee payable for the issue of a licence in respect of a foreign fishing vessel shall be determined by the Minister on the advice of the Committee. **Fees.**

(2) No licence for a foreign fishing vessel shall be issued unless the Minister is satisfied that any fees payable in respect of that licence have been paid and that arrangements have been made for the payments of any royalties or other charges payable under section 14 of the Act.

(3) The Minister may determine the currency in which any fee payable under this regulation shall be paid.

8. (1) In this Part,

Regional Register and good standing.

“Regional Register” means the register of fishing vessels established by the Organization of Eastern Caribbean States maintained at Kingstown, St. Vincent in accordance with procedures established by its Member Governments.

“Good Standing” in relation to foreign fishing vessels means the original status granted to vessels when accepted for inclusion on the original register in accordance with the criteria agreed upon by the Member States.

(2) No licence shall be issued in respect of a foreign fishing vessel unless the applicant produces a certificate that the vessel is registered in the Regional Register and the vessel for which the licence is sought has good standing on that register.

General
conditions for
foreign fishing
vessels.

9. (1) Every licence for a foreign fishing vessel issued under section 8 of the Act shall be subject to the following general conditions:

(a) no fishing shall be undertaken in Antigua and Barbuda waters except as authorized by the licence;

(b) any change in the information provided in the application form shall be notified to the Chief Fisheries Officer as soon as practicable and, in any case, not later than 7 days from the date of the change;

(c) no fish shall be trans-shipped from or onto the vessel while in Antigua and Barbuda waters except with the written permission of the Chief Fisheries Officer and in accordance with such conditions as he may specify;

(d) the master and each member of the crew of the vessel shall while in Antigua and Barbuda waters comply with any direction given to him by any authorized officer and, at the request of the officer:

(i) stop the vessel;

(ii) permit an authorized officer to board the vessel and co-operate with him in any inspection; and

(iii) bring the vessel to port.

(e) the master of the vessel shall, while in Antigua and Barbuda waters, take all reasonable measures and precautions to avoid causing damage to any local fishing operations including non-commercial operations.

(2) (a) Every foreign fishing vessel with an overall length of 60 feet (19.36 metres) or more and licensed under section 8 of the Act shall while in Antigua and Barbuda waters—

(i) fly the flag of its flag state;

(ii) display clearly the name of the vessel in large letters on the bows and stern of the vessel; and

(iii) display identification markings in accordance with the specifications set out in Schedule IX of these Regulations.

(b) the master of the vessel shall cause a logbook to be maintained on a daily basis in such form as the

Chief Fisheries Officer may from time to time require for the purpose of recording the fishing operations of the vessel while within Antigua and Barbuda waters;

(c) the logbook maintained under paragraph (b) shall be delivered in its original and unaltered form to the Chief Fisheries Officer or to any other person or organization designated by him—

- (i) on the completion of the voyage to which the logbook relates but not later than seven days after completing the voyage; or
- (ii) at any other time at the request of the Chief Fisheries Officer or of any authorized officer.

(d) the master of the vessel shall cause reports in the form prescribed by the Chief Fisheries Officer to be made to the Chief Fisheries Officer or to such other person or organization as the Chief Fisheries Officer may designate, containing the information in paragraph (e) at the following times—

- (i) immediately upon entry into Antigua and Barbuda waters;
- (ii) on every Wednesday or such other day as the Chief Fisheries Officer may specify while the vessel is in Antigua and Barbuda waters;
- (iii) immediately upon departure from Antigua and Barbuda waters; and
- (iv) on such other times as the Chief Fisheries Officer may specify;

(e) each report made under paragraph (d) shall contain details of—

- (i) the international radio call sign (or the number assigned to the vessel under any local or regional register);
- (ii) the position of the vessel at the time of reporting;
- (iii) the total catch by species on board the vessel at the time of reporting;

(iv) such other matters relating to the fishing operations as the Chief Fisheries Officer may from time to time require;

(f) the master or owner of the vessel or his authorized local representative shall notify the Chief Fisheries Officer or such other person or organization as the Chief Fisheries Officer may designate of the estimated time of entry of the vessel into any port in Antigua and Barbuda at least 24 hours prior to such entry.

(g) the master of the vessel shall, while in Antigua and Barbuda waters, allow any fisheries officer or other person designated in writing by the Chief Fisheries Officer to board and remain on board the vessel as an observer and shall—

- (i) allow the observer full access to all equipment, including navigation and communication equipment, records and documents and to any fish on board the vessel;
- (ii) allow the observer to make such test observation and records and to take and remove such samples as he may reasonably require in connection with the vessel's activities in Antigua and Barbuda waters; and
- (iii) provide, without charge, food and accommodation at least equivalent to that provided for officers of the vessel.

(h) the master of the vessel shall proceed to such port or place as the Chief Fisheries Officer may require to allow an observer to board or disembark from the vessel.

(3) Subject to subregulation (1) the master of every foreign fishing vessel with an overall length of less than 60 feet (19.36 metres) and licensed under section 8 of the Act shall while in Antigua and Barbuda waters—

(a) display identification markings in accordance with the specifications set out in Schedule IX to these regulations;

(b) maintain such record of catches and other information in such form as the Chief Fisheries Officer may require.

(4) The master of the vessel shall provide such information on the fishery operation carried out in the fishery waters in such form and at such times as the Chief Fisheries Officer may require.

(5) Any records, logbooks or notifications required to be maintained or made under this regulation shall be maintained or made in the English Language or any other language determined by the Minister.

10. No licence shall be issued in respect of a foreign fishing vessel unless there is appointed a local representative who is authorized to act on behalf of the master, owner or charterer of that vessel and who is able to accept legal responsibility on behalf of the master, owner or charterer for any action, judicial or otherwise, taken in respect of that vessel.

Local
Representative.

11. (1) The following is the prescribed manner in which fishing gear shall be stowed for the purpose of section 9 of the Act—

Storage gear.

(a) the fishing gear shall be stowed in such a manner that it is not readily available for fishing;

(b) the fishing gear shall be stowed wholly on board the vessel;

(c) all nets, trawlboard and weights shall be disconnected from the towing or hauling wires or ropes and all mechanical hauling devices shall be sufficiently disconnected as to be incapable of immediate use;

(d) where possible the fishing gear shall be stowed below deck; any fishing gear carried on or above deck shall be secured to some part of the super-structure or hull of the vessel.

(2) For the purpose of this regulation and of section 9 of the Act, the term fishing gear shall include any net, line, hook, float, pole, rope, trap, boat or helicopter that may be used in the act of fishing.

(3) Where the fishing gear of a foreign fishing vessel which is prohibited by section 8 of the Act from fishing within Antigua and Barbuda waters is not stowed in the manner prescribed in this regulation while within Antigua and Barbuda waters, the master, owner and charterer of that vessel is each guilty of an offence and is liable on summary conviction to a fine of \$5,000 dollars or to imprisonment for six months.

PART IV

LOCAL FISHING LICENCES

Prescribed application form and licence for local fishing vessels.

12. Every application for a licence and every licence in respect of a local fishing vessel shall be in the forms prescribed in Schedules III and IV.

Fees.

13. The fee payable for the issue or renewal of a licence in respect of a local fishing vessel is the amount prescribed in Schedule V.

Grounds for refusal of a licence.

14. No licence in respect of a local fishing vessel may be issued or renewed unless:

(a) an application has been made in accordance with regulation 8 and is true and correct in every way;

(b) any information requested by the Minister or the Chief Fisheries Officer and relevant to the proposed fishing operation has been provided in the manner requested;

(c) the fee prescribed in Schedule V has been paid.

General conditions for local fishing vessels.

15. Every licence in respect of a local fishing vessel shall be subject to the following general conditions—

(a) any change in the information provided in the application form shall be notified to the Chief Fisheries Officer as soon as practicable and in any case not later than 7 days from the date of the change;

(b) the vessel shall display the identification marks assigned to it by the Chief Fisheries Officer in such manner as he may require;

(c) the vessel shall comply with the law relating to safety and with such safety standards as the Chief Fisheries Officer may from time to time determine by Notice published in the *Gazette*;

(d) no fishing shall be undertaken except as authorized by the licence;

(e) no fish may be trans-shipped from or onto the vessel except with the permission of the Chief Fisheries Officer in accordance with such conditions as he may specify;

(f) the master of the vessel shall, if so required by the Chief Fisheries Officer, cause a logbook to be maintained on a daily basis in such form as the Chief Fisheries Officer may from time to time require for the purpose of recording the fishing operations of the vessel;

(g) any logbook maintained under the preceding paragraph shall be transmitted in its original and unaltered form to the Chief Fisheries Officer at such time as he may require;

(h) the master and each member of the crew of the vessel shall comply with any direction given to him by an authorized officer;

(i) the master and each member of the crew of the vessel shall comply with the requirements of the Act and of any Regulations or other instruments made under the Act;

(j) if the vessel is fishing in waters, other than Antigua and Barbuda waters, the vessel shall comply with such laws relating to fishing of any other country, if any, as may be recognized by the Government of Antigua and Barbuda as having force in those waters.

PART V

FISH PROCESSING ESTABLISHMENT LICENCES

16. Every licence to operate a fish processing establishment and every application for such licence shall be in the forms prescribed in Schedules VI and VII.

Prescribed
application form
and licence for
fish processing
establishment.

Issue of licences.

17. No licence to operate a fish processing establishment shall be issued unless the Minister is satisfied that the establishment has been constructed in such a manner as to allow for its operation in accordance with any applicable standards prescribed by law.

Fees for fish processing establishment.

18. The fee payable for the issue or renewal of a licence to operate a fish processing establishment is the amount prescribed in Schedule VIII.

Licence conditions.

19. Every licence to operate a fish processing establishment shall be subject to the following conditions—

(a) the establishment shall be maintained and operated in a clean and sanitary manner;

(b) accurate records shall be maintained relating to the operations carried out in the establishment, including records of the quantity, species and quality of fish imported, received, processed, sold or exported, and all such records shall be open to inspection by any authorized officer;

(c) returns concerning the operations of the establishment shall be made to the Chief Fisheries Officer as he may from time to time require.

PART VI

FISHERY CONSERVATION MEASURES

Lobster.

20. (1) For the purposes of this regulation—

(a) “undersize” means a carapace length of less than $3\frac{3}{4}$ inches (95 millimetres) measured from immediately behind the rostral horns along the median dorsal line to the maximum concavity of the rear edge of the carapace; or

(b) less than one and a half pounds (680 grams) in weight; or

(c) having a tail weighing less than 7 ounces (200 grams);

“lobster” means spiny lobster (*Panulirus argus*).

SCHEDULE IX

(Regulation 9(2)(a)(iii))
and (3)(a)SPECIFICATIONS FOR THE MARKING OF FOREIGN
FISHING VESSELS

1. CONTENT OF IDENTIFICATION MARKS

(a) Any vessel that has been assigned an International Telecommunication Union Radio Call Sign shall display that Radio Call Sign as its identification mark.

(b) Any vessel that has not been assigned an International Telecommunication Union Radio Call Sign, other than a vessel referred to in paragraph 1. (c) of this Schedule, shall display an identification mark consisting of the characters allocated by the International Telecommunications Union to the flag state of the vessel, followed by a hyphen and the licence or registration number assigned to that vessel by its flag state.

(c) Any vessel that has not been assigned an International Telecommunication Union Radio Call Sign, but is normally carried on board another vessel for use in fishing operations shall display the identification mark assigned to that other vessel.

2. LOCATION OF MARKING

(a) Identification marks shall be prominently displayed—

- (i) on the vessel's port and starboard side or superstructure, high above the waterline, but not on the flare of the bow or on the stern, in such a way as to be clearly visible both from the sea and from the air, and
- (ii) for vessels other than undecked vessels, on a horizontal surface of the vessel, athwartships, with the top of the letters and numbers towards to the bow of the vessel; where an awning or other temporary cover is placed so as to obscure the marking, the awning or other cover shall bear the same identification mark.

(b) Identification marks shall be so placed that they—

- (i) are not obscured at any time by fishing gear whether stowed or in use;
- (ii) are clear of flow from scuppers or overboard discharges and of areas that might be prone to damage or discolouration occurring during or as a result of catching operations, and
- (iii) do not extend below the water line.

3. TECHNICAL SPECIFICATIONS

(a) Block lettering and numbering shall be used throughout.

(b) The width of the letters and numbers shall be in proportion to the height as set out in the annex to this schedule.

(c) The height of the letters and numbers shall be in proportion to the size of the vessel in accordance with the following criteria:

- (i) for identification marks on the side or superstructure of the vessel:

Length overall of vessel in metres (m)	Minimum height of letters and numbers in metres
25 m and over	1.0 m
At least 20 m but less than 25 m	0.8 m
At least 15 m but less than 20 m	0.6 m
At least 12 m but less than 15 m	0.4 m
At least 5 m but less than 12 m	0.3 m
Under 5 m	0.1 m

- (ii) For identification marks to be displayed on horizontal surfaces on vessels of 5 metres length overall and over, the height of the letters and numbers shall be not less than 0.3 metres.

(d) The length of the hyphen shall be half the height of the letters and numbers.

DATED THE 8th DAY OF FEBRUARY 1978 AND MADE
UNDER SECTION 6 OF THE FISHERIES ORDINANCE (CAP.
98) (REPEALED) AND PRESERVED BY SECTION 32(3)(a) OF
THE INTERPRETATION ACT.

1. CITATION. These Regulations may be cited as the Fisheries (Protection of Lobster) Regulations.

2. INTERPRETATION. In these Regulations, unless the context otherwise requires—

“berried lobster” means a female lobster carrying eggs or spawn under the abdomen or tail; and

“mutilated lobster” means a female lobster from which all the swimming legs (pleopods) situated under the abdomen or tail, have been removed.

3. PROHIBITION ON THE LANDING, ETC. OF BERRIED LOBSTER. No person shall land, sell, offer for sale, or otherwise dispose of or buy, offer to buy or otherwise acquire any berried lobster or mutilated lobster.

4. PROHIBITION ON THE LANDING, ETC. OF UNDERSIZE LOBSTERS. No person shall land, sell, offer for sale, or otherwise dispose of or buy, offer to buy or otherwise acquire, any lobster which—

(a) if of a total length of less than ten inches; or

(b) is of a length of less than three and one-half inches measured from between the base of the ocular horns to the rear margin of the carapace or cape.

5. PENALTIES. Any person who contravenes the provisions of regulation 3 or 4 hereof shall be guilty of an offence and liable on summary conviction to a fine of not less than two hundred dollars and not exceeding one thousand dollars and to imprisonment for six months.

S.R.O. 4/1978.

THE FISHERIES (RESTRICTION ON METHODS OF FRESH-WATER FISHING) REGULATIONS DATED THE 8TH DAY OF FEBRUARY, 1978 MADE UNDER SECTION 6 OF THE FISHERIES ORDINANCE (CAP. 98) (REPEALED) AND PRESERVED BY SECTION 32(3)(a) OF THE INTERPRETATION ACT.

1. CITATION. These regulations may be cited as the Fisheries (Restriction on Methods of Fresh-Water Fishing) Regulations.

2. PLACES WHERE FISHING BY ROD AND LINE ONLY MAY TAKE PLACE. Any person who takes or attempts to take fish from those areas within Antigua and Barbuda known as Potworks Dam, Oliver's Dam, Bethesda Dam and Collins Dam by any method other than by rod and line shall be guilty of an offence and liable on summary conviction to a fine not less than two hundred dollars and not exceeding four hundred dollars:

Provided that the provisions of this regulation shall not apply where prior permission in writing has been given by the Minister for such period and under such conditions as he thinks fit.

3. NON-APPLICATION OF REGULATIONS. These regulations shall not apply to any fishing carried out within off-shore waters of Antigua and Barbuda.
